

# Introduction to Trauma Informed Care

## A Training for Parent and Young Adult Leaders

**Hosted by the WI CMHCI Parent and Young Adult Partners**

**Date:** Friday, November 4, 2016

**Time:** 12:30 pm to 3:30 pm

**Location:** 1 West Wilson Street, Room 751

Trauma Informed Care or TIC is changing the way systems provide services for children and families. It is important for parent, youth and young adult leaders who partner with child serving agencies to understand this important concept.

Attendees will learn to:

- Define trauma, prevalence and impact
- Apply TIC to your work with child serving agencies
- Identify strategies and resources for families

There is no cost to attend this training but preregistration is required as we have a limited amount of space in this training. Please register by October 25, 2016.

You can follow this link to register: [bit.ly/2dzpsez](http://bit.ly/2dzpsez)  
or you can contact Joann Stephens via phone or text.
